2 FOLLOWS [EFFECTIVE JULY 1, 2003]: Sec. 4. (a) A unit may
3 establish a housing authority if the fiscal body of the unit, by
4 resolution, declares that there is a need for an authority in the unit.
5 (b) The determination as to whether or not there is a need for an
6 authority may be made by the fiscal body:
7 (1) on its own motion;
8 (2) on the filing of a petition signed by twenty-five (25) residents
9 of the unit and stating that there is a need for an authority in the

12 (c) A resolution may be passed under this section only after a public
13 hearing. Notice of the time, place, and purpose of the hearing must be
14 given by the fiscal body by publication in accordance with IC 5-3-1.
15 (d) The fiscal body of a unit may adopt a resolution declaring that
16 there is need for a housing authority in the unit if it finds that:

in the unit; or

(2) there is a shortage of safe or sanitary dwelling accommodations available in the unit for persons of low income at rentals they can afford.

In determining whether dwelling accommodations are unsafe or unsanitary, the fiscal body may consider the degree of overcrowding, the percentage of land coverage, the light, air, space, and access available to inhabitants, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions in the buildings endanger life or property by fire or other causes.

(e) In any proceeding involving any contract of a housing authority, the authority shall be conclusively presumed to have become established and authorized to transact business and exercise its powers under this chapter on proof of the adoption of a resolution by the fiscal body declaring the need for the authority. The resolution is sufficient if it declares that there is a need for an authority and finds that either or both of the conditions listed in subsection (d) exist in the unit. A copy of the resolution certified by the clerk of the fiscal body is admissible in evidence in any proceeding.

(f) A fiscal body that adopts a resolution under this section shall specify in the resolution whether the housing authority of the unit shall have five (5) commissioners or seven (7) commissioners.

(g) After a housing authority is established for a unit under this chapter, the fiscal body of the unit may adopt a resolution changing the number of commissioners on the housing authority from five (5) to seven (7) or from seven (7) to five (5). If the resolution increases the number of commissioners, the appointing authority shall appoint two (2) additional commissioners under section 5 of this chapter. If the resolution decreases the number of commissioners, the fiscal body shall indicate in the resolution whether the number of commissioners is to be reduced by ending the terms of two (2) commissioners before those terms expire or by eliminating two (2) commissioner positions upon the expiration of the terms of the commissioners occupying those positions.
